Dear Parents/Carers

Studybugs – Reporting your child’s absence from school

Studybugs has been used successfully to report student absence by parents/carers at Oakwood School since April 2019. Studybugs is an efficient and secure system for reporting your child’s absence from school due to illness.

If you have not already, please get the free Studybugs app, or register on the Studybugs website, and use it to tell us whenever your child is ill and unable to attend school.

Top 3 reasons to use Studybugs:

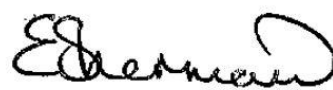

1. It helps us know sooner if your child is unaccounted for.
2. It is quick and easy to register and use, as well as automatically reminding you to keep us posted as to your child’s ongoing absence.
3. You’ll be helping the NHS and other public health organisations improve children’s health. (<https://studybugs.com/about/schools>)
